

STLYOUTH JOBS

INVESTING IN THE FUTURE WORKFORCE

Since 2013, STL Youth Jobs (STLYJ) has connected over 4,500 youth from underserved communities to paid summer work experiences with over 200 employers. Each youth receives job readiness and financial literacy training and mentorship from a Job Coach. STLYJ helps employers meet their workforce needs while connecting youth to valuable job opportunities. Youth work up to 25 hrs/wk for a total of 160 hours.*

*Hours caps and pay rates assume youth are placed on STL Youth Jobs' payroll.
